COMPANY PRIVACY POLICY

Information provided pursuant to Reg.EU 2016/679 (GDPR), Art.13 and pursuant to Italian D.Lgs. 196/2003 modified by D.Lgs. 101/18

Introduction

Procontrol S.r.l. considers personal data as a primary asset to be protected, adopting procedures and behaviors aimed to ensure their security and confidentiality. Transparency to data subjects is therefore a primary objective, pursued through effective communication tools. Procontrol Srl take appropriate measures to provide any information relating to processing to the data subject in a concise, transparent, intelligible and easily accessible form.

In this regard, this company privacy policy, produced in accordance with the requirements set out in Reg. EU 2016/679 "General Data Protection Regulation", contains specific information referring to the following areas:

- 1) data processing related to this website;
- 2) data processing related to contractual agreement with customers and suppliers.

General information

We inform data subject (Art.4, c.1 del GDPR) about the following general items:

- personal data are processed lawfully, fairly and in a transparent manner, according to principles of GDPR, Art.5;
- specific security measures are implemented to prevent the data from being lost, used unlawfully and/or inappropriately, and accessed without authorisation.

Data Controller, Data Protection Officer and data subject's rights

- the Data Controller is the undersigned Company (**Procontrol Srl**), in person of the legal representative pro-tempore. In order to guarantee adequate support to the data subjects, the Data Controller has appointed a DPO, to whom it is possible to contact (Contact details: Galli Data Service Srl - 0523.1865049 - dpo@galidataservice.com) to exercise all the rights foreseen by art.15- 21 of the GDPR (right of access, rectification, cancellation, limitation, portability, opposition), as well as revoke a previously granted consent; in case of failure to reply to their requests, the interested parties can propose a complaint to the Supervisory Authority for the protection of personal data (GDPR - Art.13, paragraph 2, letter d).

The Company processes personal identifying data of customers / suppliers (for example, name, surname, company name, personal / fiscal data, address, telephone, e-mail, bank and payment details) and its operative contacts (name surname and data contact information) acquired and used for managing the services provided by the Company.

2.2 Purposes and legal basis of the processing

Data are processed to:

- manage contractual / professional agreements, as well as manage the necessary communications connected to them;
- fulfill the obligations established by law, by a regulation, by the community legislation or by an order of the Authority;
- exercise a legitimate interest of the Controller; for example: the right of defense in court, the protection of credit positions; the ordinary internal operating, management and accounting needs; the assessment of solvency and reliability of acquired customers and potential customers (prospects), the protection of company assets.

Failure to provide the aforementioned data will make it impossible to establish the relationship with the Controller. The aforementioned purposes represent, pursuant to Article 6, commi b, c, f, suitable legal bases for the lawfulness of the processing. If it is intended to carry out treatments for different purposes, it will be required a specific consent from the data subjects.

2.3 Methods of the processing

The processing of personal data is carried out by means of the operations indicated in Art. 4 n. 2) GDPR and exactly as: collection, registration, organization, storage, consultation, processing, modification, selection, extraction, comparison, use, interconnection, blocking, communication, deletion and destruction of data. Personal data are subjected to both paper and electronic and / or automated processing. The Data Controller will process personal data for the time necessary to fulfill the purposes for which it was collected and related legal obligations.

2.4 Scope of the processing

The data are processed by internal regularly authorized subjects and instructed pursuant to Article 29 of the GDPR. It is also possible to request the scope of communication of personal data, obtaining precise indications on any external subjects operating as managers or independent data controllers (consultants, technicians, banks, transporters, etc.).

3) POLICY UPDATING

It should be noted that this information may be subject to periodic review, also in relation to the relevant legislation and jurisprudence. In the event of significant changes, appropriate evidence will be given in the home-page of the site for a suitable time. In any case, the interested party is invited to periodically consult the present policy.
